Dear Parent/Carer,

Learning from home just got more exciting with Discovery Education Espresso!

We are pleased to announce that you and your child can access the award-winning Discovery Education Espresso service from home.

We use Espresso in school to help motivate, engage and support learning in the classroom. Now your child can continue to enjoy what they have been doing at school, and you can be involved in their learning at home.

About Discovery Education Espresso

Espresso is an online cross-curricular service that provides video-rich resources to schools throughout the UK. It contains thousands of videos and multimedia activities, as well as a weekly news service — all designed by teaching professionals. For more information, please visit:

www.discoveryeducation.co.uk/espresso

Your Home Access includes a **Home learning** area and *Parents' guide* with information to help you use the service with your child.

How to access Discovery Education Espresso from home

To access Espresso from home you will need a PC or Apple Mac and a connection to the internet. You can then go to www.discoveryeducation.co.uk click the 'Login' button in the top right corner, select 'Discovery Education Espresso' and enter your child's username and password. These login details have been attached to this letter. If you have any trouble logging in or accessing the service from home, please contact **Mrs Brown**.

Your child should already be familiar with Espresso. They could show you how they have been using it in class and how to find resources. Once you are familiar with the service, you and your child may like to explore Espresso's modules or the *Home learning* area. Specifically designed for home use, it includes easy-to-follow Learning paths and specific curriculum objectives.

We hope you will find Discovery Education Espresso useful as a resource to extend your child's learning. If you have any further questions about how to use the service, please speak to your child's teacher.

Kind regards

Mrs Brown
