

BOY'S ACHIEVEMENT

Dear Parents and Carers

Renowned speaker Gary Wilson will be presenting his top tips to parents with boys at our schools. This talk will take place at Ashfield Junior School at 7pm on Tuesday May 2nd 2017.

Gary is also working with the staff at our three schools on the same day and has extended his invitation to parents to find out more about the ways to support and understand our sons' needs and aspirations and ultimately raise achievement.

Gary Wilson is an author of several books including 'Breaking through the Barriers to Boy's Achievement' and 'How to help your Boy Succeed' (a book specifically designed for parents). He is a leading consultant and national expert, with numerous BBC TV appearances who works with schools and parents to raise boy's achievement in both Primary and Secondary schools.

Recent research shows that there seems to be widening gap between boys and girls achievement not just in this country but in many other countries around the world. More girls are now going on to higher education. We are working hard in our schools to ensure that we narrow this gap and encourage our boys to achieve.

We would be delighted if you could join us for this event. We are very lucky to be able to get Gary to visit us here in West Cumbria. Please can you complete the slip below and return it to your child's school by Friday April 7th in order to book your places. We have a total of 200 places available so depending on response we may have to limit this to 1 per family. Please state if you would like 2 places and if there are enough spare seats we will do our best to accommodate everyone.

We look forward to working with you as we endeavour to get the best for our boys.

Yours sincerely,

Mrs K Barley

Mrs R Field

Mrs S Frost
