## Welcome to Year 5!

Dear Parents/Carers,

This newsletter is an introduction to the year group and will provide you with information about the curriculum for the **Autumn Term** and the trips we have planned.

### Topic

We will be finding out about the **Anglo-Saxons and Vikings**. This history topic will provide the stimulus for our work in English and the foundation subjects (History, Geography, Art, D&T, Computing and Music).

### Science

During the first half-term we will investigate **Earth and Space**. The second half-term will focus on **Forces**.

### P.E

The days for Year 5 P.E will be **Monday** and **Wednesday**. Please ensure that your child has a labelled school P.E kit for these days. Please provide your child's class teacher with a note if they unable to participate in the lesson due to ill health.

### Trips

Below is a brief outline of the main Year 5 curriculum visits that we have planned. There may be some other visits if we feel that it is necessary to enhance the topic work.

This year we will not be having a Year 5 Residential. Therefore we will be planning more excursions.
