

Tuesday 24th March

Work for Year 4

Please spend time doing these tasks this morning.

There is also a suggested timetable on our Year 4 page.

English: Today have a go at this creative writing:

- **Writing Project 1: The Time Travelling Machine**

Pretend you have gone into a time-travelling machine and ended up in the past – or perhaps, future. Write a story about your adventure, don't forget to talk about: What do you see? What does the place look like? Who do you meet? What do they look like? What do they eat and drink? Where do they live?

Spellingframe – Rule 10. Choose games to play and practice spellings.

Try this spelling task.

– how many words can you write down which have ending sound – “shun” Can you split the words into different ways to spell the sound (sion, tion, cion, ssion)

Maths: As a warm up today, try 10 minutes on one of these websites:
TT rockstars and Prodigy

Next, try this tenths and hundredths work. Write your answers in your homelearning book. You might need to draw a neat 100 square to help you work out the answers.

Topic: This is your task for the **whole week** – we expect it to take 5 sessions, so make it *brilliant!* Spend about 30 minutes each day on this.

Romans: 'What have the Romans done for us?'

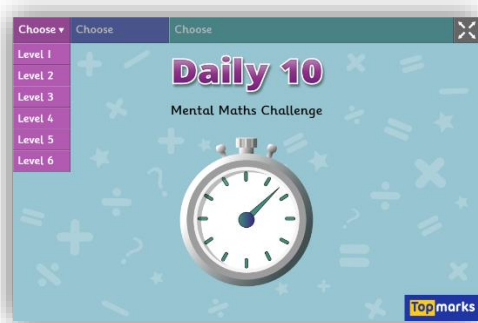

- Find 3 things that the Romans have done for us.
- What artefacts can you find out about that tell us about how Romans lived in Britain?
- Make a fact file with illustrations, labels and information to share.

You could look at these websites for more fun learning during the week!

<https://www.bbc.co.uk/teach/supermovers> - you know the times tables ones, have a go at the others if you like!

<https://www.topmarks.co.uk/maths-games/daily10> - mental maths that you set your level.

<https://www.topmarks.co.uk/maths-games/hit-the-button> - a quick fire mental maths game.

https://www.youtube.com/user/thebodycoach1?fbclid=IwAR0iaRPq65aXPUBDdwgl2JbbhR3bsL6oTAgSzuAJYhaco6QMui-3u_60a8 – this is a free download onto apple iPads or apple phones with great sentence ideas and practice.

https://www.youtube.com/user/thebodycoach1?fbclid=IwAR0iaRPq65aXPUBDdwgl2JbbhR3bsL6oTAgSzuAJYhaco6QMui-3u_60a8 – Joe Wicks is doing a FREE PE lesson every day at 9am – so keep your body fit as well as your mind!

<https://www.glasgowsciencecentre.org/gsc-at-home> - Glasgow Science Centre will be live every day at 10am! Expand your mind!!
