

**Wednesday 25<sup>th</sup> March**

**Work for Year 4**

**Please spend time doing these tasks this morning.**

**There is also a suggested timetable on our Year 4 page.**

**English:** Today have a go at this 1- a –day challenge:

Here's a 1-a-day challenge for you, which I hope will keep you entertained for around five weeks or so (you're allowed weekends off!)

So here's what to do.

(I hope an adult will let you use one of their devices each day for this little game)

Day one, write a sentence using mainly the letter A. Each sentence must contain at least 1 noun, 1 adjective, 1 verb and 1 adverb. Spellings don't matter. The funnier the better.... but NO rude words allowed. 😊

Day 2 use mainly the letter B and so on.

For example: on day 1

“Albert the anxious alligator angrily ate Auntie Alice for his afternoon tea.”

When you've done your sentence, you can send it to us via Dojo if you like.

No Adult help allowed (except in exceptional circumstances - X might prove rather difficult !!)

- Spellingframe – Rule 10. Choose games to play and practice spellings.
- Try this spelling task: using some of the “shun” words, write 5 sentences in your best handwriting!

**Maths:** As a warm up today, try 10 minutes on one of these websites:

Top Marks Daily 10 and Prodigy

Next, try this maths problem of the day:

## Problems of the Day 2020

1 Fill in the missing numbers.

10 less than 46 is

more than 30 is 35

2

How many sweets does Teddy have?

3 Lucy shades in part of a rectangle.

She shades some more squares.

$\frac{3}{4}$  of the rectangle is now shaded.

How many more squares did Lucy shade?

**Topic:** This is your task for the **whole week** – we expect it to take 5 sessions, so make it *brilliant!* Spend about 30 minutes each day on this.

Romans: 'What have the Romans done for us?'

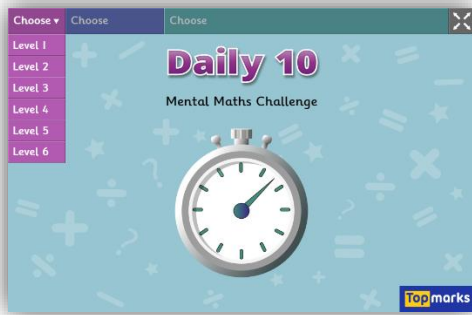

- Find 3 things that the Romans have done for us.
- What artefacts can you find out about that tell us about how Romans lived in Britain?
- Make a fact file with illustrations, labels and information to share.

You could look at these websites for more fun learning during the week!
