Mayan Ball Game

The ancient Maya invented a unique game that we can relate to today. The video link will give you some information about what this was and what it involved.

<https://www.bbc.co.uk/bitesize/topics/zq6svcw/articles/zbqyy4j>

Could you draw a picture to show the game being played and write about how to play? You could create a set of rules to explain to someone else how to play the game. Include equipment and how many people you may need.
