

## Year 6 Home Learning – 29<sup>th</sup> April

- **Antarctica is the world's largest desert.**
- **The Eiffel tower 'grows' in the summer.**
- **Bees can fly higher than Mount Everest.**

### MATHS

Go to <https://mathsframe.co.uk/en/resources/resource/486/Y6-Arithmetic-Practice> have a go at some the games for a bit of maths fun and then arithmetic questions.

### ENGLISH

Log onto Sats companion and complete the task set by your English teacher.

### Science

Watch the video

<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/z2s4xfr> and carry out the quick activity filling in the missing words.

Use the journey of light sheet. Use the fact that light only travels in straight lines until it hits an object. Have a go at completing the sheet to show how objects are seen. If you cannot print, draw it out yourself.
