

Monday 4th May

Work for Year 4

Please spend time doing these tasks this morning.

There is also a suggested timetable on our Year 4 page.

English:

An **apostrophe** (') and an **s** can be used to show that an object belongs to something or someone. Write the missing nouns in these sentences and remember the 's! An example is done for you.

1. This boy's football shirt is green.

2. An trunk is very long.

3. We saw the balloon up in the tree.

4. Mum found glasses in the garden.

5. Mr Walker is the..... headmaster.

6. Acry can be very loud.

7. John heard theengine as it zoomed off.

8. Ourname is Sooty and she has black fur.

9. We all saw goal at the end of the match.

Write the sentences in your homework book. Remember that the apostrophe means that the object belongs to someone or something (the noun in the sentence)

(Do the sentence first then – the answers can be found below to check you get the apostrophe in the correct place!)

Apostrophes for possession – answers

1. This **boy's** football shirt is green.
2. An **elephant's** trunk is very long.
3. We saw the **girl's** balloon up in the tree.
4. Mum found **dad's** glasses in the garden.
5. Mr Walker is the **school's** headmaster.
6. A **baby's** cry can be very loud.
7. John heard the **car's** engine as it zoomed past.
8. Our **cat's** name is Sooty and she has black fur.
9. We all saw **Ruby's** goal at the end of the match.

Maths:

As a warm up today, try 10 minutes on TT Rockstars and Prodigy!

Now watch this video for the maths tasks today.

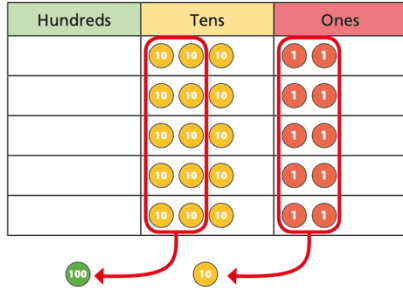

<https://player.vimeo.com/video/413666970>

Open the activity sheets in another tab because you'll be asked to do questions and pause the video.

Try these activity sheets while you watch the video: write your answers in your homework book. (you don't have to print these out, not everyone has a printer.)

Multiply 2-digits by 1-digit

1 Brett uses a place value chart to work out 5×32

Talk about Brett's method with a partner.
Complete the multiplication.

$5 \times 32 = \square$

Use Brett's method to work out 6×34

$6 \times 34 = \square$

Use Dani's method to work out 3×27

4 Use a written method to complete the multiplications.

a) $38 \times 6 = \square$ c) $45 \times 9 = \square$

b) $71 \times 3 = \square$ d) $52 \times 5 = \square$

2 Rosie works out 4×37 using a written method.

Talk about Rosie's method with a partner.

Use Rosie's method to work out 6×28

3 Dani uses a different written method to work out 8×42

Talk about Dani's method with a partner.

e) $29 \times 8 = \square$ f) $17 \times 4 = \square$

5 Class 4 is selling tickets for a play.

Tickets cost £5 per person.

56 tickets have been sold so far.

How much money has Class 4 collected?

6 Rosie buys 8 bunches of flowers. Each bunch has 17 flowers.

How many flowers does she have altogether?

Hour of Code:

Go to this website and have a go at programming! It is just like Scratch. There is an introductory video to explain it to you.

VE Day activities.

As you are aware, we are celebrating VE Day on Friday 8th May. You will probably find there are lots of celebrations going on in your local area (socially distanced of course) and hopefully you will be holding your own celebration.

We would like you to find out more about VE Day this week by completing some of these activities. We would love to see your finished work and any photos of your celebrations or decorations sent to us on Class Dojo. Have fun!

Watch: <https://www.bbc.co.uk/teach/class-clips-video/history-ks2-ve-day/z7xtmfr>

History KS2: VE Day

BBC Teach > Primary Resources > History KS2 > World War Two

Now, think about what you have learnt about VE Day and why it is celebrated. Complete the thought bubbles from the activity sheet below:

VE Day Thoughts

Victory in Europe Day – or VE Day – is remembered on 8th May. It was the day when the end of the Second World War in Europe is celebrated.

What is remembered on VE Day?

Why do you think it is important to celebrate and recognise VE Day?

How do you think VE Day should be celebrated?

You could look at these websites for more fun learning during the week!
