

Tuesday 19th May

Work for Year 4

Please spend time doing these tasks this morning.

There is also a suggested timetable on our Year 4 page.

English:

Direct Speech and Dialogue

Read the Powerpoint presentation about prosody and dialogue in Varjak Paw. (there is a pdf version if you can't open PowerPoint)

Here is a link to a BBC Bitesize Daily Lesson on direct speech:

<https://www.bbc.co.uk/bitesize/articles/z4rbgwx>

Watch the two videos then complete activities 1 and 3

Maths:

As a warm up today, try 10 minutes on TT Rockstars and Prodigy!

Today's maths is all about time.

Click here to watch a clip about analogue and digital time and complete the 3 activities from BBC Bitesize.

<https://www.bbc.co.uk/bitesize/topics/zkfyedm/articles/zcrmqtv>

Then complete these in your Homework book:

Analogue clock	Time in words	Digital
	Three o'clock	3:00
		2:30
		5:45
		:
	Half past seven	:
		7:15
		:

Quarter past 2

:

Geography – Mega Cities is our topic.

This week we will learn about what makes a city in the UK and why so many people want to live in a city. We will learn about Milton Keynes and why it is growing city.
Open the PowerPoint or pdf on the school website.

Yesterday you may have read through the first 3 slides, watched the video and discussed what you saw about why Milton Keynes is growing so quickly.

Today read slides 4 and 5 and do the task on slide 5.

Art – Draw with Rob Biddulph.

Rob Biddulph is an author and illustrator. He has produced some draw-along sessions for you while school is closed.

Here is a second draw-along with Rob for you to do:

<https://youtu.be/pPeyVoZyBzY>

Click on this link to draw along with Rob Biddulph and create a Sausage Dog! Follow the steps to produce your very own illustration.

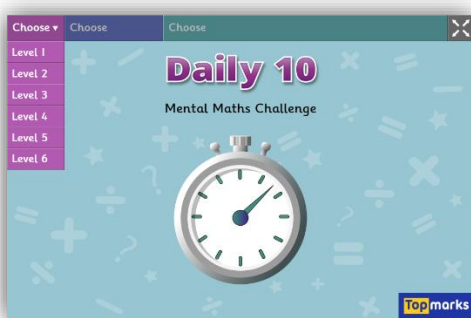

This is a 10 minute activity. All you need is a piece of paper and a pencil.
Please send us your finished piece!

You could look at these websites for more fun learning during the week!

<https://www.bbc.co.uk/teach/super movers> - you know the times tables ones, have a go at the others if you like!

<https://www.topmarks.co.uk/maths-games/daily10> - mental maths that you set your level.

<https://www.topmarks.co.uk/maths-games/hit-the-button> - a quick fire mental maths game.

https://www.youtube.com/user/thebodycoach1?fbclid=IwAR0iaRPq65aXPUBDdwgl2JbbhR3bsL6oTAgSzuAJYhaco6QMui-3u_60a8 – Joe Wicks is doing a FREE PE lesson every day at 9am – so keep your body fit as well as your mind!

<https://www.glasgowsciencecentre.org/gsc-at-home> - Glasgow Science Centre will be live every day at 10am! Expand your mind!!
