	Comprehension 45 mins	VE day comprehension Choose from three levels of difficulty. (Comes with answer sheets)
Maths	TTRockstars 10 mins	
	Maths learning & practice activity 45 mins	How long does a minute last? Do you think you could tell how long a minute is without looking at the second hand on a clock? Close your eyes. Set up a digital stopwatch. When you start it, close your eyes and put your hands over them so there is no cheating! Open them when you think one minute has passed, then record what time was shown on the stopwatch. See if your family can get closer to the minute than you did. Recap on how to tell time: https://www.youtube.com/watch?v=IBBQXBhSNUs https://www.youtube.com/watch?v=Kr7Ms4tjw6c Complete sheet 'tell the time', 'draw the time' or 'fill both clocks' sheet
