The school will do its best to: <ul style="list-style-type: none"> Provide an environment which has been risk assessed in response to the COVID-19 infection both for its operation and its premises. Adhere to the social distancing rules as set out by the government as much as we reasonably can. Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs & as far as possible reflects home learning of others. Contact parents/carers if your child displays any symptoms of COVID-19. Inform you if staff or children in your child's group show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative. Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlines in this agreement. Communicate between home & school through notices, newsletters, text, email & school website. 	To help my child at school I know & understand that: <ul style="list-style-type: none"> If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone. If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately. I will immediately request a test and report outcome to school. I understand my child cannot return to school unless there is a negative test or 14 days have passed. When dropping my child off and picking them up, I will ensure only one parent/carer accompanies them & will adhere to the 2 metre social distancing rules, observing the routes marked out around the school site (UKS2 pupils may go home on their own provided they keep social distancing rules). When dropping off and picking up, I will strictly stick to the school timings for my child and will remain at the designated gate and not enter the school building. My child must not bring any items into school with them or take items home from school apart from coats. Face masks, toys, a reading bag, books, drinks & packed lunches are NOT allowed. My child will have their temperature taken on arrival and during the day if they feel or present as being unwell. Staff may have to break the social distancing restrictions to care for your child e.g. first aid I will need to remind my child about social distancing rules inside school and ensure they follow the current government guidelines on social distancing. My child will need to use good respiratory and hand hygiene. My child will need clean clothes on every day, uniform or other clothing is allowed. I will not be allowed into the school without a pre- arranged appointment made via telephone or email. I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis. Read all letters/messages/emails that are sent home. I need to inform the school immediately of any changes to parents/carer and emergency contacts details. If my child is deemed unsafe through inappropriate behaviour, he/she will be sent home immediately and cannot return to school until there is confidence that they can be safe. 	I will do my best to: <div>  <p>Keep my distance from other children & keep in my group all day.</p> </div> <div>  <p>Not bring things into school from home, or take things home from school.</p> </div> <div>  <p>Tell an adult if I feel unwell.</p> </div> <div>  <p>Cough and sneeze into elbow or tissue.</p> </div> <div>  <p>Walk sensibly with my grown-up to and from school.</p> </div> <div>  <p>Only use the equipment provided to me by school and no other.</p> </div> <div>  <p>Wash my hands with soap for 20 seconds throughout the day.</p> </div> <div>  <p>Behave well at all times to maintain the safety of myself and others</p> </div>
