

**Monday 15<sup>th</sup> June**

**Work for Year 4**

**Please spend time doing these tasks this morning.**

**There is also a suggested timetable on our Year 4 page.**

**English:**

**Suffixes in Chapter Fourteen**

The English language is full of multi-morphemic words - words made up of roots, prefixes and suffixes. Re-read the first three pages of Chapter Fourteen and identify as many words as you can with these suffixes, adding them to the table below. A couple have been done for you:

<b>Suffix</b>	<b>Meaning</b>	<b>Examples</b>
-dom	condition of, state	
-ing	action or process	
-ed	shows past tense	dreamed
-ness	quality (makes a noun)	
-ful	full of (but drop an 'l')	
-ish	relating to	
-ly	In what manner (adverb)	truly

**Challenge:**

Add a suffix **beginning with a vowel letter** to a word **of more than one syllable** from the lists below to make a new word.

Word box			
dark	wonder	kind	marvel
walk	sit	fail	wait
dream	twitch	look	track
sway	forgot	determine	sense
smell	trap	carry	certain
sizzle	free	precise	coil

Suffixes					
-dom	-ure	-en	-ty	-ish	-ful
-ing	-ly	-es	-s	-ed	-ness

Continue with your suffix and prefix work on [www.studyladder.co.uk](http://www.studyladder.co.uk)

**Maths:**

As a warm up today, do try 10 minutes on Prodigy, [www.timestables.me.uk](http://www.timestables.me.uk) and Daily 10. This week we are learning about shapes.

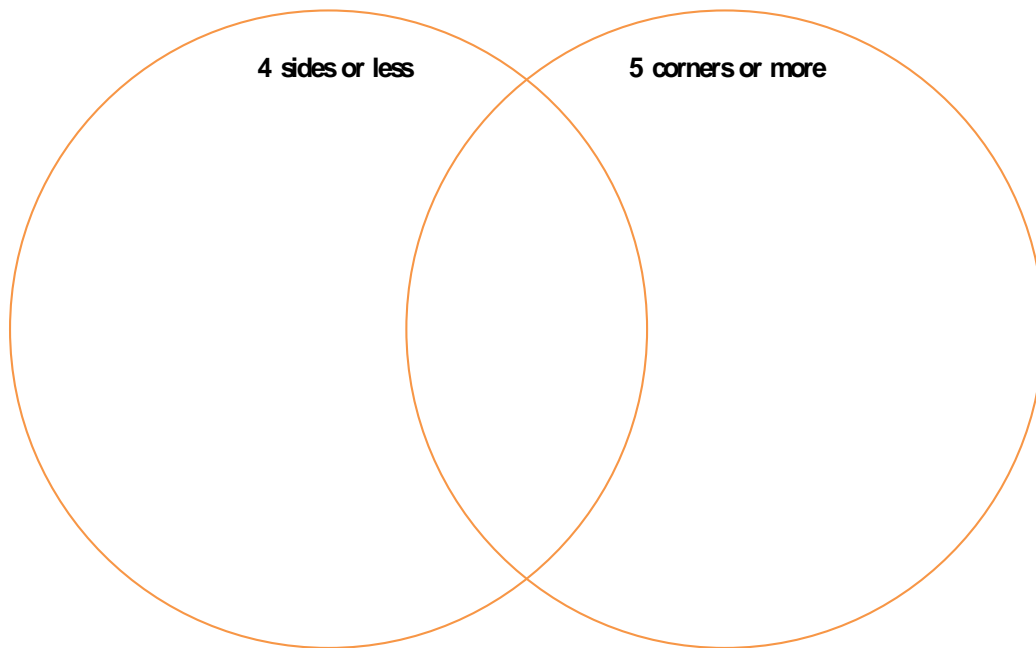

Here is a reminder of the names of 2D shapes:

<https://www.bbc.co.uk/bitesize/topics/zvmxsbk/articles/z98n4qt>

Now sort the shapes into the Venn diagram – draw it in your book. Label the 2D shapes.

Sort the shapes according to the criteria on the Venn diagrams. Draw in, or cut out and stick in, the shapes into the correct place on the diagram.

1.

**Lines of symmetry:**

Watch this clip and do the task underneath.

<https://www.bbc.co.uk/bitesize/topics/zrhp34/articles/z8t72p3>

Now complete this, write the answers in your book.

Find and draw all the lines of symmetry on these 2D shapes. You can use a mirror or tracing paper to help.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

I have ..... lines of symmetry.

## Music

Over the next few weeks we will explore different aspects of sound in music.

Some aspects of music are pitch, dynamics, rhythm, texture and harmony.

Today we are looking at **duration** and **tempo**, they affect the **pace** and **feel** of the music.

<https://www.bbc.co.uk/bitesize/topics/zcbkcj6/articles/z3yfng8>

Make a poster all about Beethoven – What other pieces of music did he compose? Did you like Beethoven's fifth Symphony? Which instruments can you hear being played or did you see in the clip?

## Coronavirus explained and a science experiment!

Here is a cool video to help you understand about what the coronavirus is and why we need to wash our hands so much.

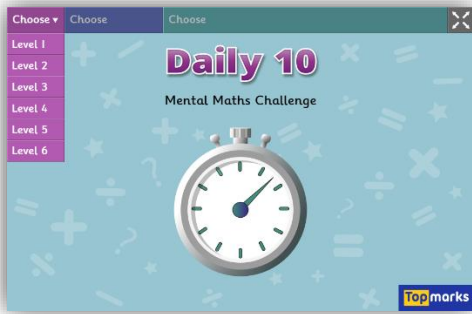

<https://www.nanogirllive.co.nz/coronavirus-soap-experiment>

You could look at these websites for more fun learning during the week!

<https://www.bbc.co.uk/teach/supermovers> - you know the times tables ones, have a go at the others if you like!

<https://www.topmarks.co.uk/maths-games/daily10> - mental maths that you set your level.

<https://www.topmarks.co.uk/maths-games/hit-the-button> - a quick fire mental maths game.
