

Monday 8th June

Work for Year 4

Please spend time doing these tasks this morning.

There is also a suggested timetable on our Year 4 page.

English:

Figurative Language 1

We looked at an example of figurative language (personification) back in Chapter 8.

Writers often use figurative language to add power and interest to their work.

Watch the videos and complete the activities on the BBC Bitesize Daily Lesson link below:

Maths:

As a warm up today, do try 10 minutes on TT Rockstars and Prodigy.

Well done with the work on clocks and telling the time last week.

This week we will look at data and interpreting graphs.

The answers will be at the bottom of the page. Try the tasks first!

Music

Over the next few weeks we will explore different aspects of sound in music.

Some aspects of music are pitch, dynamics, rhythm, texture and harmony.

Pulse is a **steady beat** like a ticking clock or your heartbeat. It can be measured in time by counting the number of **beats per minute (BPM)**.

Rhythm is the **pattern of long and short sounds** as you move through the song.

International Morse Code

1. A dash is equal to three dots.
2. The space between parts of the same letter is equal to one dot.
3. The space between two letters is equal to three dots.
4. The space between two words is equal to seven dots.
