

Tuesday 16th June

Work for Year 4

Please spend time doing these tasks this morning.

There is also a suggested timetable on our Year 4 page.

English:

The Third Skill

In this dream chapter, Jalal teaches Varjak the Third Skill of hunting. As Varjak has spent all his life in the Contessa's house, this is new to him and he makes a few mistakes as he tries to master the skill.

Watch this BBC Earth clip about cats and hunting:

<https://www.youtube.com/watch?v=ltYxFIMlYqI>

Find out all you can about how cats hunt. Use the template (also on the website) provided to produce an information text to present your findings.

Here are some useful websites:

http://www.sheppardsoftware.com/content/animals/animals/breeds/catopics/cat_hunters.htm

<https://www.zooplus.co.uk/magazine/cat/cat-training/cat-hunting-behaviour>

Continue with your suffix and prefix work on www.studyladder.co.uk

Maths:

As a warm up today, do try 10 minutes on Prodigy, www.timestables.me.uk and Daily 10. This week we are learning about shapes.

Go to this web page and watch the clip about different triangles.

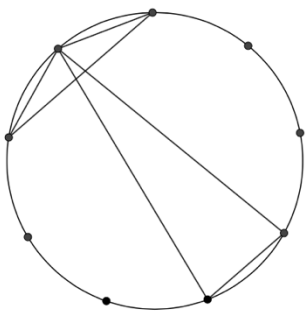

<https://www.bbc.co.uk/bitesize/topics/zvmxsbk/articles/zggsfrd>

Label the triangles for the task and do the quiz.

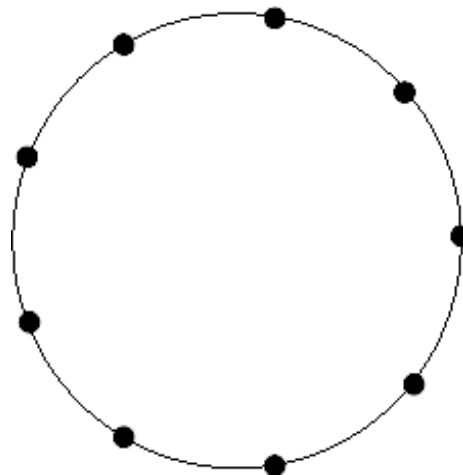

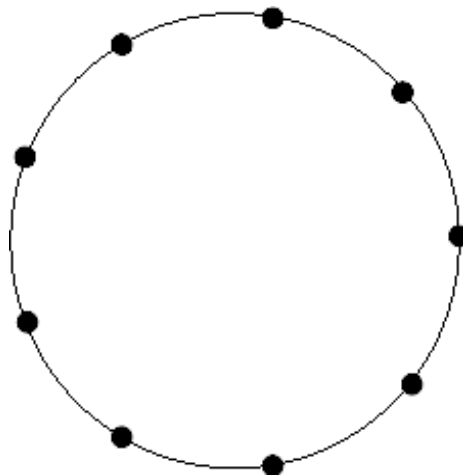

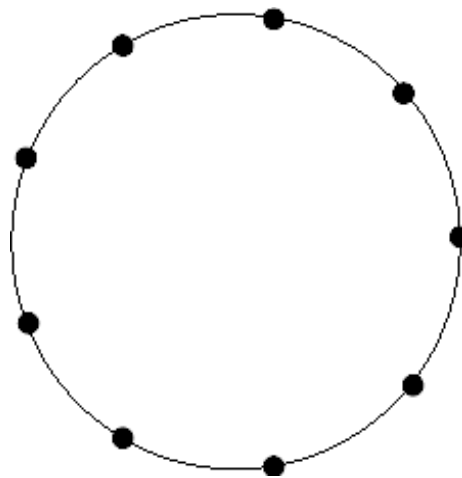

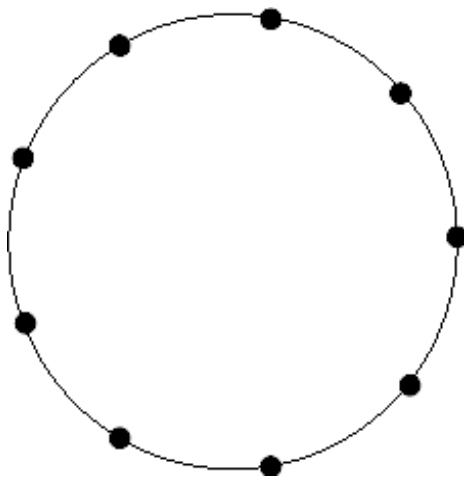

Next:

1. Draw an equilateral triangle in your book.
2. Now draw an Isosceles triangle.
3. Now draw a right-angled triangle
4. Lastly, draw a scalene triangle in your book. Write which triangle it is inside each triangle.

How many different triangles can you make on a circular pegboard that has nine pegs?

For example:

R.E.

Watch 'If I were a rich man' from Fiddler on the roof:

<https://www.youtube.com/watch?v=RBHZFYpQ6nc>

If someone gave you a million pounds, what would you do with it?

Think about the above question and then ask members of your family and compare your answers.

Do you all have the same sort of ideas or not? Can you put them into categories e.g.

- Ideas that would help others
- Ideas that are about buying things or doing things for yourself

Try to put all your ideas into a list, with the most important way to use the money at the top and the least important way at the bottom.

Buddhism started in, what was India, but is now Nepal, 2,500 years ago. People who follow this religion are called Buddhists.

Have a look at the PowerPoint (on the website) to find out how the religion began.

Create a story board to sequence the order of the story and outline the key moments.

What do you think is the most important part of the story and why?

Coronavirus explained and a science experiment!

Here is a cool video to help you understand about what the coronavirus is and why we need to wash our hands so much.
