

Home learning ~ Thursday 2nd July

- In the course of an average lifetime, while sleeping you might eat around 70 assorted insects and 10 spiders, or more.
- It is impossible for most people to lick their own elbow. (Try it!)
- Water covers 70% of Earth.

Hello 4LJ (...and soon to be the very brilliant 5B!).

I'm really excited about you joining Mrs Bailey and me next year. We're a great team and we work hard and have fun. In fact, I would say that 5B is the best class EVER...but don't tell Mrs Lumb and Mrs James that!

I love walking into 4LJ and seeing all the things you've done and hearing your stories, but I want to know more about you. I want to know about what makes you tick! About your inner self.

Activity 1: Take a look at this:

TASK: today I would like you to draw a portrait of your face, like the one above.

This might help: <https://www.bbc.co.uk/teach/class-clips-video/how-to-draw-a-portrait/zk28qp3>

However, I only want you to draw HALF of your face. The other half, like the one above, you should fill with all the things that make you the person you are. That could be hobbies, pets, clubs you attend,

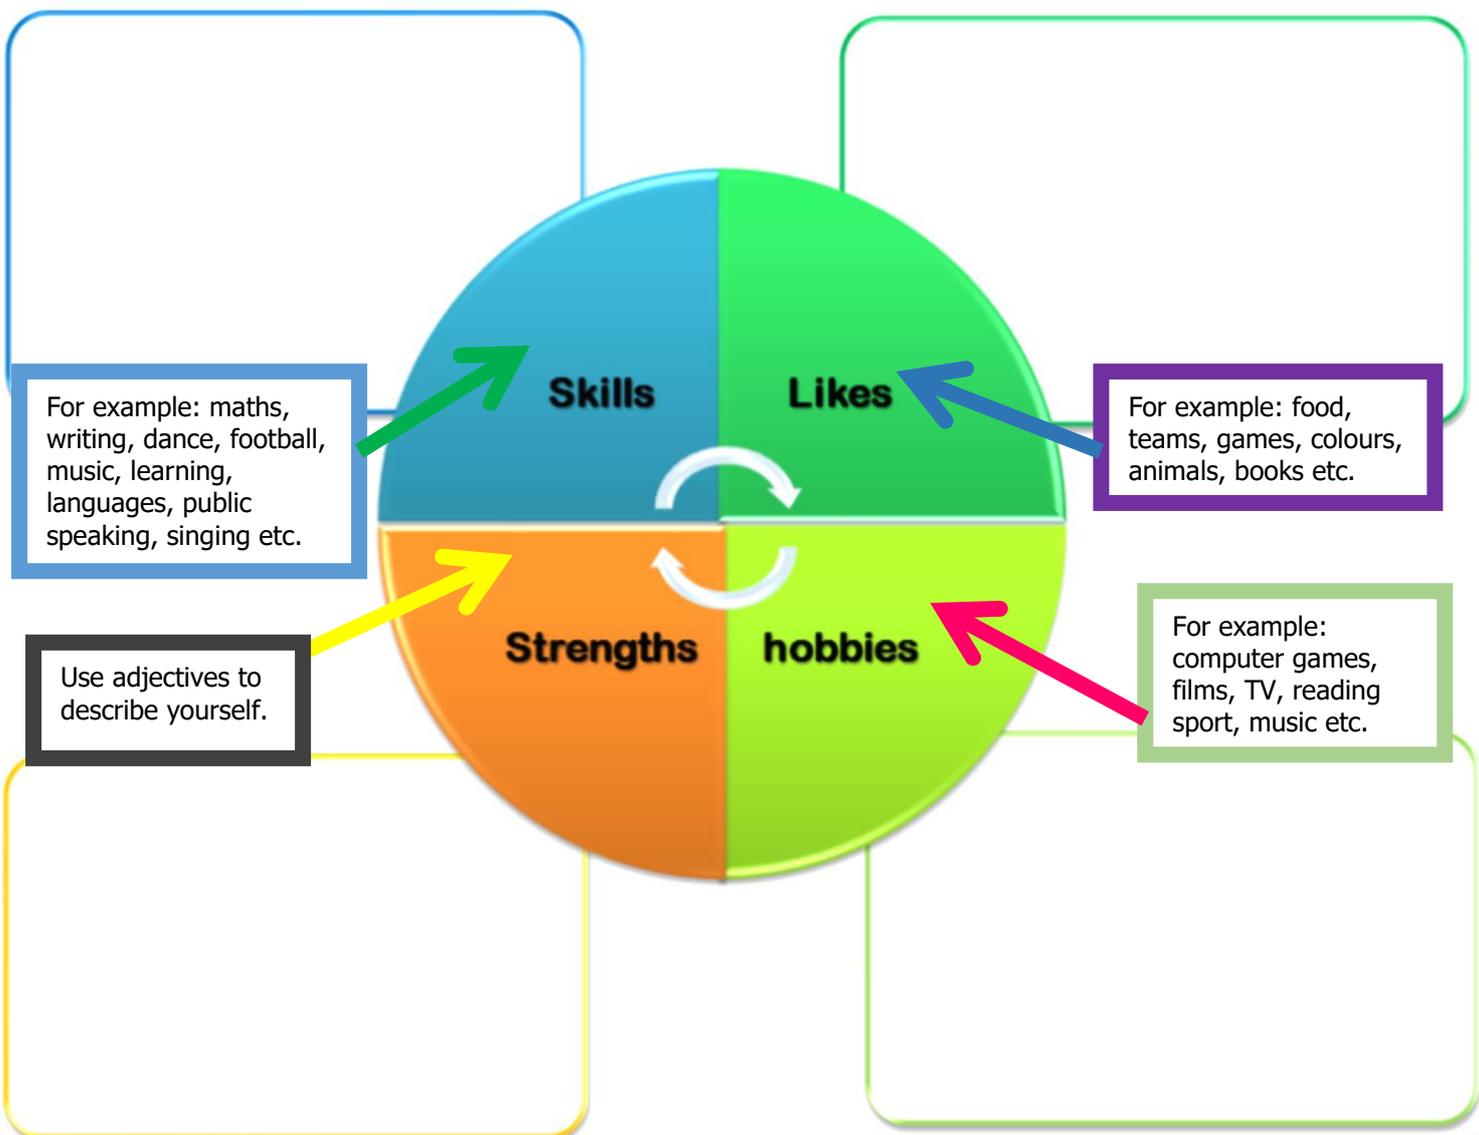

games you like to play, books you love reading, things to do with school or home, nature and music...the list is endless. And add colour.

Once you've finished, take a picture and send to me via Class Dojo or to my email: rbishop@ashfield-jun.cumbria.sch.uk I can't wait to see them.

Hello, 4LJ! Like Mr Bishop, I am very excited that you will be joining the Y5 team in September. Hopefully by now you will have had the chance to watch our videos introducing ourselves and have found out a little bit about us.

Activity 2: Today and tomorrow, we are going to create a 'personality swirl' which will not only help us to get to know you a bit better but will hopefully produce a fantastic display for our classroom!

So the first thing we would like you to do is think about the following 4 areas: skills, hobbies, strengths and likes and complete the following: with as much information about YOU as you can. If you are finding it difficult, ask someone in your family or a friend if offer any suggestions.

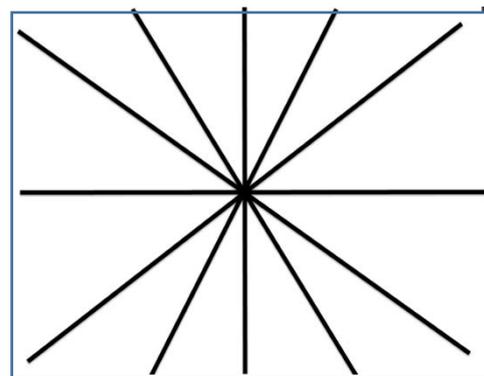

When you have completed each of the 4 areas, we would like you to choose 4 words that best describe YOU most accurately (one from each area might be a good idea).

Your personality swirl will contain 6 words

- Your first and second name
- The 4 words you have chosen that best describe you
- Patterns, shapes and objects that mean something to you.

What to do next:

1. Use a square of white paper. Find the middle, either by folding or measuring.
2. From the center dot, draw curved (or straight) lines radiating out from the center. (There is a straight line template at the end of this task sheet if you are struggling with this stage and are able to print it out).
3. You need 12 lines in total. Do this in pencil first.
4. Go over in black marker when you are happy with the lines.

5. In one of the sections write your first name.
6. In another of the sections write your last name.
7. In the other four other sections write the 4 words you chose about yourself (adjectives, hobbies, interests, etc.).
8. Leave a blank section in between word sections.
9. You can use any font that you choose! (There are examples of different fonts you might like to use at the end of this task sheet).

I'd love to see your 'swirl' so far, take a picture and send it to me via ClassDojo or email it to me: kbailey@ashfield-jun.cumbria.sch.uk I can't wait to have a look!
