### Transition day 1 – Welcome to Year 5!

Hello 4S (...and soon to be fabulous 5S!).

I'm really excited about you joining Mrs Smith and me next year. We're a great team. We work hard and have fun. In fact, I would say that 5S is the best class EVER...but don't tell Mrs Smits that!

Hopefully by now you will have had the chance to watch our videos introducing ourselves and have found out a little bit about us.

**Today and tomorrow you will be using the booklet or PowerPoint attached.**

**Please [download and print out](#) the pdf file or [save as](#) and rename the PowerPoint to your computer.**

### **Who are you?**

I'd love to hear about what you've done, places you've been and things you like. I want to know about what makes you tick! About your inner self. That could be hobbies, pets, clubs you attend, games you like to play, books you love reading, things to do with school or home, nature and music...the list is endless.

Fill in the note paper with the most important information about you!

### **Class recipe**

What is the recipe for a successful, happy class?

Write down your ingredients list and how these things mix well together!

### **Truth or Fib?**

In the boxes, write down two true facts about you, and one false fact (the fib!).

Write them in any order.

Let us have fun guessing which is incorrect. When we meet you, you can tell us if we got it right.

### **Crystal Ball**

What do you want to succeed in or see yourself attempting by the end of the year?

Write or draw a picture in the crystal ball to represent your goals!

### **Send your work -**

Send your work to me on class dojo or to my email address:

Note: There is an **optional** activity tomorrow. If you choose to do it, you will need to video yourself for no more than 8 minutes then send to me on DoJo!
