

Year 6 Home Learning – Friday 22nd January

MATHS

Watch the video on class dojo and complete the attached questions which relate to our current area of fractions. These can be found on the power point.

ENGLISH

Watch the video on class dojo to continue with this week's English topic.

MUSIC

For your task, please familiarise yourself with some musical terminology:

Dynamics = volume

Tempo = speed

Timbre = instruments used

Play the attached piece of music and complete the tasks on the music appraisal sheet. It involves allowing your imagination to see images based on a piece of music and describing what the music is like using the new words you have learnt.
