Task: Write your instructions on 'How to play knucklebones'

Remember to include imperative verbs (bossy verbs) and write it in chronological order (the order in which it needs to happen).

You might want to watch this funny clip of instructions on how to make a peanut butter and jelly sandwich – you'll see how the children had to be exact in their instructions!

Make your instructions clear! Take a picture and send in your instructions. You may wish to type up your instructions.

Now play knucklebones – use pebbles, lego pieces, counters, seeds.....

Don't forget to read for 10 minutes with an adult – try to do this every day!

There has been a breach in Internet security and we need you to help protect the data before it is stolen! The IP numbers attached to this document have fallen into the hands of despicable criminals. Soon, they will have worked out the patterns to unlock the codes and steal important and sensitive information. Can you help us find the codes to lock the files before they access them?

To find the code to lock the files, you must round the IP numbers to the nearest 10, 100 and 1000. Good luck, Agent!

E.g. Mr J. Cheng IP Address: 5735 Code:	Mrs P. Patel IP Address: 827 Code:	Miss L. Smith IP Address: 2816 Code:	Mr M. Yung IP Address: 787 Code:

Mental Health week – express yourself – all about emotions.

Watch this video of Mrs Smits explaining about emotions. <https://www.loom.com/share/496b6aee788c4848b5752ac0bc50a8bc>

Here is the Emotions Map:

The image shows a weekly diary template. It has a decorative top border with a repeating pattern of small blue and white shapes. The diary is organized into three vertical columns and seven horizontal rows. The first column, on the left, is light pink and contains the days of the week: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. The second column, in the middle, is light blue and is labeled 'My day' at the top. The third column, on the right, is light purple and is labeled 'How I felt' at the top. The rest of the cells in the grid are empty, intended for writing.
