Spellingframe

MATHS:

BBC Smartmovers either 2, 5, 10 times tables or challenge yourself to the 3 & 4 times tables.

Mental Maths: Quick recall. Can you complete Set A. Time yourself!

Mad Maths Minutes

2x Table (? X 2) Practice Set A

<file:///F:/home%20learning/Spring%201%20wk1/2xtablex2mmmabb.pdf>

Here are three digit cards.

Place the digit cards in the number sentence.

How many different totals can you find?

What is the smallest total?

What is the largest total?

Activity 1:

$$67 + 8 = 75$$

Write the combinations in your Home Learning book.

It might help if you make these numbers on bits of paper so you can move them around to get all possible calculations.

ENGLISH:

What can you remember about adjectives from yesterday? Today we are going to continue to explore adjectives and have a go at using them to describe a setting.

Have a look at the picture below. Do you know where it is? It is a picture of the Louvre museum in Paris a really famous museum. Have a look at this video below:

<https://www.youtube.com/watch?v=wwYExM0Nv00>

Task 1

Look at the picture below and make a list of all of the nouns in the image. We'd like you to come up with at least 10.

For example

sky, people glass etc. For each of these nouns can you choose some different adjectives which would be suitable to use with them?

For example the bright blue sky.

Explore where you place the adjective in the sentence.

Were you able to find out any facts about the Louvre Museum?

Task 2

Now can you put your ideas together in a short paragraph about the setting. You don't need to know anything about the Louvre, just tell us what you can see in the image.

The following points will help you.

What time of day is it?
What are the people doing?
What is the weather like?

Extension:

Can you find any facts about the museum now you have finished your descriptive writing?

ENQUIRY AND INVESTIGATION:

Did you enjoy finding out the locations of the different European countries yesterday?

Complete the blank map we have attached or trace your own if you can. Label each country and colour your map in. This can then be stuck in your home learning book.

Then you can have another go at playing the game below and see how good your memory is:

<https://online.seterra.com/en/vgp/3007>
