

Year 6 Home Learning – Thursday 7th January

MATHS

STARTER: 'Fluent in 5 day 3' attachment.

Watch the video on class dojo about multiplying and dividing numbers by 10 and 100. Complete the attached sheet.

SPELLING ACTIVITY

Go to www.spellingframe.co.uk choose year 5 and 6, spelling rule 39 and choose practice/test.

ENGLISH - COMPREHENSION

Please find attached the reading comprehension based on evacuees.

All children should be able to complete the task labelled – retrieve.

Most children will be able to complete the task labelled – idea and detail.

Some children will be able to complete the task labelled – author's choice.

Bonus – summarise a text. Record your work in your home learning book and send a photo to your teacher through class dojo.

SCIENCE

We begin our science this term by looking at adaptations. These are the changes in a species to suit the environment they live in. Watch the videos below:

POLAR BEARS

<https://www.youtube.com/watch?v=eQ4Ak2w1ZDU>

SEA SNAKES

https://www.youtube.com/watch?v=8E_l4Agslok

GALAPAGOS IGUANAS

<https://www.youtube.com/watch?v=czpPbDGHOZA>

Write a response/ record a video/audio to answer the following question using the examples. You may wish to carry out your own research too:

What is adaptation, why is it important and can you link this to examples?
