

Year 6 Home Learning – Friday 15th January

MATHS

Watch the video on class dojo and complete the following from the attached fractions resources: **one** colour by number picture, **either option 1 or 2** resource and **if you would like to**, try the fractions challenge page.

Well done, you've made it to Friday again!

ENGLISH

Open the video link on class dojo for support with completing this World War 2 writing task.

ART

Your task is to re-create a sketch by artist Henry Moore. Have a look at the power point to see some of his most famous pieces of work.

Remember the following when sketching:

- It's ok to be messy.
- Using shading is important.
- Press on lightly with your pencil.
- Lightly create shapes to represent parts of your sketch, then add detail and rub out lines you no longer need.

Send in a picture of your work to your class teacher.
