		<p>Watch : Evol - THE LITERACY SHED Why is he hunting the phoenix? Why does the phoenix save the m an even though he shot him down? What happens at the end?</p>							

What do you think would happen next? etc. Imagine the man has been on the ship for a long time hunting down the phoenix, so long that his crew has all either died or deserted. Write a letter home documenting the journey.

- Create maps of lands where this ship could go to, describe these places and what happens when he visits there.
- The man is hunting a phoenix, which other mythical beasts could he have already collected? Write a recount or narrative about how he came upon these. e.g. Unicorn, minotaur etc
- At the point when he is clinging to the lever, perhaps his life flashes before his eyes - use this as an opportunity to write flashbacks. Describe an event or time in his past and bring it to life.
- Write the story from the Phoenix point of view.
- Write a voice over for a narrator, experiment with 1st and 3rd person in the same narration

Project 4 an all-week activity - Send me a photo of your Viking long-ship.
