

## **Year 6 Home Learning Friday 12<sup>th</sup> February**

### **TASK 1**

Watch the video on class dojo for details about your first task.

### **TASK 2**

Open the maths codebreaker attachment and work through the calculations to spell out some of the Chinese New Year animals. You may wish to try the codebreaker key phrases section using fractions of amounts. Do as little or as much of the pack as you would like. Please note – the answers are at the end of the pack.

### **TASK 3**

Go to the following web page:

<https://www.bbc.co.uk/bitesize/topics/zdmhf9q/articles/zvj4cqt>

If you can, print the template and follow the instructions to make a shadow puppet.

You could draw your puppet onto paper/card instead of printing it out.

If you don't have the resources, create a little fact file to explain what shadow puppets are and how to make them.
