What NOT to include in boxes

Food, sweets, chocolate & drinks, battery operated toys, conflict related items, matches, inflammable liquids, inflammable aerosols (eg: deodorants & hair spray), seeds or any other living material, automatic washing machine powders

For safety -

Please securely sellotape tops of liquid containers. Protect anything sharp and do not put anything sharp into the Toys box.

The type of contents are indicated on the box top.

In the case of child & teenagers, additional information as to the suitability for boy or girl, along with age group is also indicated. A card with the sender's name and a photograph is also a nice thing to include.

Above all, the contents should be of good quality, remembering that the recipient will be opening the box in eager anticipation, and especially with the toys for the children, quite possibly the first real gifts they have received for a very long time.
