At St Joseph's Catholic High School Holiday Camps we sometimes take photographs of our participants. We use these photos on the School website, on social media, on display boards around the School and occasionally in the local press. We would like your consent to take photos of your child and use them in the ways described above. If you are not happy for us to do this that's no problem – we will accommodate your preferences.

Please tick the relevant boxes and return this form with your booking.

**Why are we asking for your consent?** You may be aware that there are new data protection laws rules that came into force in May 2019. To ensure we meet these new requirements we need to seek your consent on the use of photos of your child(ren). We really value the use of these photos and to be able to showcase what we do on our activities and we would really appreciate you taking the time to give your consent.
