The number of staff

The School keeps us safe by creating fencing around the school. It helps to keep strangers out and so we can't escape.

We have a lot of security, codes a secure doors. They always think about our well being.

we have to ask to go to the toilet so the teachers know were you are

- 1) To not let us go outside when it is raining so we don't slip.
- 2) Supervise us on school trip.
- 3) Always watch us

The teachers go out said at bracke with us.

Swage gates around the school, cameras

W stiking us, cameras, Gates, Fences.

by staying with during the register when we come inside and they are always with us outside.

When you a lunch time safe and when you are

They have locks on the doors. They have midday supervisors at dinner time.

There is always a teacher in the class at all times. There's always a teacher if you need them.

We learn about not and getting drunk. We learn to be kind to all. We have people in school who look out for us to be safe at break/lunch

How do we keep you safe at Ashfield Junior School?

All days having a member of staff with you and during the register in the morning and afternoon. Also because of all the gates we have to keep strangers out.

When we go outside we look for gates. We have badges to see who is safe.

When we're outside there is always a member of staff there.

When we go on a trip we all stay together.

Fences around school. Doors locked. Gates locked. Always watching in case of trouble.

- 1. warning me if there's a danger
- 2. there's always an adult with us.
- 3. not letting us outside when there no teachers.

- 1. always watching
- 2. Advise you to not do bad things
- 3. help us keep protected with fences.

On school trips we get in groups and do the register. In assembly the teachers tell us how to be safe on line and off side of school.

Be you watch us play. you teach us how to behave.

All the doors are locked

They do the register after lunch & break

On School trips there is always a teacher in a group

They watch you at dinner/play/class

- Prose
- You keep us safe by doing the register
 - Make us line up
 - Don't go anywhere where teachers can't see you
 - Follow the golden rules
 - Listening to teacher/midday supervisors.

- Gates around school grounds
- When on a trips before getting on the bus/coach the teachers do a head count to check we are all here

They keep us safe by keeping us out of the forest so then we don't get hurt by splinters or scratches.

By letting us on certain apps on the computers.

By not letting us climbing fences.

Teachers don't let us out of the gates during school time.

By Education
Well when a child is angry the teacher takes that child out of the room so no one else gets hurt.

When there are more teachers outside to keep us safe

When play times

We get taught how to stay safe online.

Having lunchtime Supervisors. Having people to help you. Not letting anyone in if they shake in.

You keep us safe on the computer

banned chaos tag because people were being too rough

How do we keep you safe at Ashfield Junior School?

There are fire doors to stop getting burned or hurt when fires happen at school.

We have a fire alarm to keep us safe. People who are being mean teachers tell them off. We do things to keep safe.

You close the school gates safe you stop people being violent

Locked doors

When we are at play teachers supervise us.

I think that you keep us safe if something is dangerous then you don't let us go near it. or you search us not to go near it.

You protect us so you keep us away from sharp objects and things that could hurt us

We don't run we have signed lanyards. We have metal gates and fences.
